“ Oh my! My classmate! We went to school together at East Jr. High & Opelousas Sr. High Schools. He was always good for a laugh, even when he became wheelchair bound. I lived on the hill in Opelousas, and would see him when going to the corner store. Wow! This man hounded/poked me in junior high at East, and as an adult on the corner of Madison and East St. I'd walk by him, going to the store, and he'd tell the other guys standing on the corner, that I used to cheat off his test papers in class! :) Mark will be missed!
