“ Dear Demetria,

I am deeply sorry for your loss. My heart goes out to you during this difficult time. Please know that you are in my thoughts and prayers.

I would have driven myself, but you know I get lost just going to Westheimer—so you know I would have gotten lost in LA! You're my GPS navigator, and without you, I'd probably still be trying to find my way.

If there's anything I can do to support you, please don't hesitate to reach out.

*With heartfelt sympathy,
Ms. Deborah*
