“ It's with the deepest of sympathy that I offer my condolences to Rickey (Martins) family. We were the best of friends and classmates at SPC. If it wasn't for him I would have flunked Math, he tutored me and help me past from grade to grade. I visited Rickey At his house when we were growing up On a weekly sometimes two and three Times a week. We went into the Service The same year and spent so much time Together upon our being discharged. Evertime I came home to vizit from California I would go spend days with him, just saw him this past Summer. Rest IN Peace classmate....love you man. Abdul aka Douglas Smith.
