“ Marvin was someone who never met a stranger. He had so much to joke about always. When I would go to M&m's to visit my daughter he was the first person I'd see with that beautiful smile. He touched so many peoples hearts he will be missed by many. He was always there for anyone who needed and so many times the only payment he wanted was a smile and thank you. He was a truly kind hearted man. He was especially close to my family infact he was considered to be part of my family. He was my daughter Kayla's best buddy, or in his words "MY SHORTY". He was also best friends with my other daughters Andi, whom his picture on fb she was the photographer. They always had jokes. Messed with each other constantly. She could walk into M&M'S when having a bad day but when he was there she always walked out with a smile , and my daughter Roxy whom had numerous jokes and laughs And had plenty of laughed. So here's to you my boy . I love you to the moon and back, please watch over us and fly high.... Till we meet again .. RIP sweet angel
