“ To my Godmother who was a mother with plenty of love for everyone who she met. You was always welcome to share what you had. Beginning with love, words of wisdom, great big smile, a kind heart, and a plate of food from her huge pot of whatever she had on her stove. We will miss all these things, but you thought all your children well. I enjoyed seeing you eating pecan candy I made for you. For what every was done for you, you was pleased. RIP nanny. Love Boyz.
