“ *Rasheda, I know the pain of losing a mother all too well. Please know that you have friends who love and care about you, and I am here if you need a shoulder to cry on or an ear to listen about your fondest memories. Your parents are together again in paradise! In time the tears may lessen, but the love in your heart will remain. I pray strength and comfort to you and your family always! Thinking of you and sending prayers your way.*

“ To the Butler Family - On behalf of Josie Collins and Isabella Broussard, our deepest and sincerest sympathies on the loss of Lelia, a bright and shining personality. We have both known Lelia and her entire family since our early childhood days in the Carlton Community. The Butlers were among the "best" neighbors anyone could ask for, friendly and always eager to assist anyone in any way possible. A star has faded but will never be forgotten.

“ What words do you use to share words of comfort to the children and family of a friend with whom you have shared so many laughs, conversations and sorrows? “ My dearest dear friend Lelia. I styled Lelia's hair every Fri morning. We had a good cut up time. She was so funny. I distinctly remember her trying to to explain to me how people would whip okra. I fell out laughing, because it very funny to think of. We had many moments like that. Lelia and Ray became my good friends. Lelia loved her siblings. She spoke very fondly on them and her sis in law Ruth. She also bragged about her children and grandkids. I know so much about them. She would always say, "Well Georgie, fix me up, I'm going to the "Splouses" this weekend and just laugh. Oh my this is a hard one, I will miss Lelia.
