“ Maw maw, I have no words because I planned to come and see you, but became ill before I could do so and my heart is heavy with regret. I love you with all my heart and I miss you more so knowing that you're gone from this earth. Im happy you're in a better place, but it's still bittersweet. Thank you for loving me as your own grandchild and spoiling me unconditionally. I'll never forget you. I'll be sure to pass on the many stories of the homemade burgers you made us when we would spend nights at your home after those Tuesday prayer nights. My love for you will never waver. Rest up my girl. I love you.
