“ *Here's to a bridge between two families, conceived of friendship and rendered by love. Mary committed her life to the helping of others, and for many of her last years, had dedicated her efforts to the care of my family. There are no greater gifts to offer than one's own time and love, and Mary's offering of both will be celebrated for many years beyond this moment. Though she will be missed, I hope that the joy she gave so freely will be offered back to the world as part of her legacy.*

“ *One of our good friends ,who will be missed. She always had a good word to say and a smile on her face. Memories of all of us years ago at Holy Ghost School and years together during our years after integration at OCHS. We all had a bond with each other that most of us never realized until probably later on in life. She was a friend who never changed no matter how long it was that we had not seen each other. She will be missed, but memories of her will live on forever as will her spirit. We pray for her family and ask the Creator to ease their pain as Mary will live on in another space and time with Him.*

“ *To: Ms. Mary
I already miss our talks. I already miss the hugs. I already miss our jokes.*

You'd always say as we left, "Be good. Be safe. Take care of your mama."

I'd always say, "I will, Ms Mary." And, I will.

We love you so much.

“ *My dear sweet Amy..As I type this..silent tears run down my cheeks. I can't seem to wrap my head around the fact that I will never hear you laugh again or just sit and listen to you speak of life experiences. I loved you more than I think you knew. If only I had known that you would leave so soon..I would have come to be with you one last time. I know you are in great company with our heavenly father. May you rest easy. Heaven has gained one amazing soul. Thank you for being in my life. .. Until we meet again.. I ❤️ you*
