“ It states, "Click to share a memory" Well this page will not be long enough to share a memory because there is too many memories. One of my most memorable one was the time we were making pie dough. Listening to music, making dough & peeling potatoes and we both was trying the LIVE VIDEO & it was too hilarious. She was planning her meal for some Tora & some of the grandchildren birthday. I tell you, I will miss our daily morning talks, our television shows conclusions😭, our shopping trips, our daytime naps, I can go on & on. I know that so many people Loved you, but God has the final say. You are now united with your loves ones in heaven and I know there is plenty conversations going on😭❤️. Fly high my girl. LOVE YOU IMMENSELY ❤️❤️
