“ *Dear Waver Ann, I am so sorry to hear about the passing of your mother, who was a wonderful person. She was my Aunt Irma and Loretta's best friend. My prayers are with you and your family. This is one of my favorite songs I give to you as a tribute to you and your family:*

He Knows Just How Much You Can Bear

(Verse) We are our heavenly Father's children And we all know that He loves us one and all Yet there are times when we find we answer Another's voice and call If we are willing, He will teach us His voice only to obey no matter where And He knows Yes, He knows Just how much we can bear

(Verse) Think of the times you've asked the question Down in your heart now what shall I do Then you confide in your friends and loved ones But they have troubles too There is a God who rules earth and heaven In Him there's relief from every pain and care For He know, Yes He knows Just how much we can bear

(Chorus) Though the load gets heavy You're never left alone to bear it all Ask for the strength and keep on tolling Though the teardrops fall You have the joy of this assurance The heavenly Father will always answer prayer And He knows, Yes He knows Just how much you can bear.

May God bless and keep you strong at this time of sorrow.
