“ *It wasn't an emotional conversation when I received the call this morning of her passing, but it was peaceful...it wasn't hard because I know "she had fought a good fight!" She was just that type...YES! Tut Tut! I have always enjoyed her company. The many, many times of her jokes, laughter, and playful spirit, will always be my memory of her. As I type this, I smile with memories of that wispy unique voice of hers;)) Michael, John Gary, grandchildren, sister, family, and friends, I send my love, my most heartfelt condolences, and prayers to you all during this transition from this earthly home and your presence, to her Heavenly home and The Presence of God! HALLELUYAH!
