“ *Mom it will be 2 years in August & I still dream of losing you like it was today. For some reason today as I'm looking for an obituary, yours popped up on my phone & tears just fell. I guess it's God's way of telling me, Shelly you been running away from this and blocking it out long enough. I've accepted that your gone because I can't change it but I haven't learned to deal with it & live with it yet. My life without you isn't the same, seeing you everyday, talking everyday, laying in bed with you, all of I hold dare to my heart, I just know that I haven't faced it yet. This post may not mean anything but I read them all again today & I decided to leave pieces of my heart here. Love Shelly*
