“ *Uncle “Morris”, my mom’s baby brother, was the ‘Apple of her eye’. She, undeniably, loved him with everything her heart was capable of offering. It was through mom’s example and the strength of her love that I, too, found every reason in the universe to love him unconditionally. His presence will be missed, but memories of Uncle Morris will live on for a lifetime. I pray Aunt Margie and family will find the courage to carry on. May all the good times you’ve had with him overshadow any grief and pain. I love you all.*
