“ I will always remember Maurice. He was a very nice guy and an awesome athlete. He was a great running back at Melville High School. I remember that he could run 100 yards in under 10 seconds. I remember that he was into bodybuilding and he won the Mr. Southern University contest. Praying for eternal peace for him and consolation, peace and good memories for his family and friends.

“ *Mo was an outstanding person. I worked with him for a few years at Venyu, he was the nicest man I ever met. Sometimes I would arrive at work with the smell of Boudin in the air and when I got to my desk he had a plate ready for me all warmed up. This man was incredible he was very kind and funny. I would think about him often even though I switched jobs. I am very sad to hear of his passing. I would like to offer the family my deepest and most sincere condolences.*

“ *Dear friend Maurice, I cannot find words to adequately express my grief. It was sometimes in 2003/2004 when I met you, a vibrant and vigilant Sgt. Maurice Allen. You were a fine police officer. Somehow, the life tested you harder than usual. You stood tall for what was right and against injustice. You stood steadfast during your struggles while at Southern University and later. I have grown to have tremendous respect for you. Maurice, the Lord is the ultimate giver of justice, not the man, not the courts. He shall not fail you. So, go in peace, my friend.*

To Maurice's friends and family, I send you my sincere condolences. Please do reach out to me if I can be of any assistance to you.
