“ With deepest regards to the family of Maxine Hickerson, we send up our prayers to her family. She is known to us as the momma of Claudia our sister in Christ at Center Community Church in Plainfield Indiana. She has stood beside my family with hospital visits then the funeral for my momma and then my soul mate. She ministers to our whole church. We know this loving kindness comes from Gods grace and Maxine. So I lift up this family to Celebrate the Life of Maxine with the joy that you will see her again, and she will be running through the fields on her young legs again to greet you when you go home. Do not mourn but praise her, remembering her in love.
