“ We the members of the National Association of University Women St. Landry Branch extend our heartfelt sympathy to the family of our sister, Velma D. Hendrix. Velma has been a very dedicated member of this prestigious organization for over twenty years. She was a Phenomenal Woman who was loved and respected by so many. She was dedicated to serving God and her fellow man. We the NAUW Sisters will truly miss her presence at meetings and programs. She loved the town of Melville and she served four years as Mayor and she was a candidate on the ballot when she passed away. Our hearts are saddened because we have lost our friend who was a dear sister to all of us. It will be different seeing our NAUW SISTER, Gwen Dureseau, without Sister Velma. We loved Velma and we will truly miss her, but we know better than to ask God Why. We know that Velma is in her new home in glory and we will remember her as the classy lady she was. We, the NAUW St. Landry Branch sisters thank God for our dear departed Carnation who was faithful to her calling and to NAUW and was loved by us. We are grsteful that her life touched ours. We rejoice with her sisters, Gloria and Gwen and her daughter Shelia, in the knowledge that she is in God's eternal care.

“ Words cannot express what I am feeling right now. As a former student of her class, I felt the love and passion that she had for English. She was a huge influence for me to obtain my degree in English and Literature. Throughout my tenure at North Central, Ms. Hendrix's kind and warm spirit always made me feel welcome in her class. You will be truly missed, Ms. Hendrix.

“ Mrs. Hendrix was my Student Teacher from Grambling College in 11th grade(64-65) at Booker T. Washington High School in Shreveport, Louisiana, under the tutelage of Mrs. Myrtle T. Stewart.

I saw her last when she traveled to Shreveport to attend Mrs. Stewart's funeral several years ago. She took a picture with several of her former students. She remembered all of us from our accelerated English class.

She was an excellent teacher: caring, loving, personable, knowledgeable. We all cried when she left to return to Grambling. We were “her children”, a part of her forever family.

May her legacy continue to live on in the hearts and minds of those who loved her.

Rest in Heaven Mrs. Hendrix!!!

“ *Velma was my cousin and I remember the time my family and I visited her in Melville after being away from my home town for many years, she showed my family and I so much kindness and love. She was a joy to know and I had just talked to her about a month ago not realizing that I would never talk to her again.*

“ To the Dureseau-Hendrix Family:

I first met the jewel of your family when I was a freshman at Grambling. She and I took a lot of classes together over the years because we were both English majors. After graduation Velma and I were involved with LIALO rallies and with LEA, LTA and LAE over many years around the state. I appreciated Velma as a very personable individual, a genteel lady of class, a dedicated and committed educator and my friend.

My family and I offer prayers for the repose of her soul and we pray for strength that you all are able to bear this loss.

“ We the members of National Association of University Women St. Landry Branch are very saddened by the passing of our dear Sister Velma D. Hendrix. We became so accustomed to seeing you and Sister Gwen at all our programs and meetings. You two actually came from Melville more than some members here in Opelousas. You were a phenomenal woman. You were classy a great dresser and someone so full of life. We will certainly miss you, but we know better than to question God. Rest on Dear Sister Velma and we know you will continue to shine in your new home in glory.

“ *To the Dureseau-Hendrix Family,*

I was saddened to hear of the recent passing of the jewel of your family. I met Velma in 1959 when I was a freshman at Grambling College. She and I were English majors and took a lot of classes together over our 4 years. We were colleagues over the years involved with LIALO rallies, LEA and LTA and LAE educational activities around the state for many years. I always appreciated her as a genteel lady, a dedicated educator, a committed professional and a friend of high quality spirituality. My family and I send our prayers for the repose of her soul and our support to you in bearing this loss and in keeping her memory alive.
