“ *You was my first brother, then you became my friend, now you are an angel! You will be truly missed. I will continue to hold on to memories for comfort. Mind of a "Jaguar," heart of a "Lion," soul of an "Eagle" who watched, learned, and articulated his message of his innermost strengths and beliefs as part of what made him who he was/is! Thanks for your love and protection!*

*Love,*

*Baby sister*
