“ *Family, you have our deepest sympathy and are in our prayers, just remember:*

*He Knows Just How Much You Can Bear."*

*We are our heavenly Father's children. And we all know that He loves us one and all. Yet there are times when we find the answer another's voice and call. If we are willing, He will teach us. His voice only to obey no matter where. And He knows Yes, He knows Just how much we can bear.*

*Think of the times you've asked the question. Down in your heart now what shall I do. Then you confide in your friends and loved ones. But they have troubles too There is a God who rules earth and heaven. In Him there's relief from every pain and care. For He know, Yes He knows Just how much we can bear.*

*Though the load gets heavy You're never left alone to bear it all. Ask for the strength and keep on tolling Though the teardrops fall. You have the joy of this assurance. The heavenly Father will always answer prayer. And He knows, Yes He knows Just how much you can bear.*
