“ I first met Michael in 1993 when I hired him through a temporary labor service working for a contractor on a small project in South Baton Rouge. Michael came to work as a carpenter helper as a young man and quickly moved to a much stronger roll in the work place by displaying his outstanding qualities of being a responsible and valued employee. Michael had a wonderful demeanor and was a joy to work with and valued as a friend in my life. Michael had an endless amount of courage and dedication to his family working full time through out the year even on the days he received dialysis in the early mornings before coming to work. Michael will be missed by all his family, friends and co workers.

“ *My condolences to the family. Michael was a very loving and caring person. He would give his last to help anyone. He was comical and just a fun person to be around. I am still in shock at his passing. He will without a doubt be truly missed. He's free now and in Heaven with all his loved ones. Love you, Michael!* 💕🙏

“ *My name is Barry Luke. I was a superintendent for Cajun Construction and was lucky enough to have Michael on several of my projects. Although I was in an office position and Michael was in the field I still considered him to be my role model. Always on time, always gave 100%, always quick with a smile, always looking out for the new guys, always did quality work, always a good guy. I strove to be a class act like Michael, but he set the bar pretty high. The world has lost a mensch, rest in peace Michael.*
