“ *Mike you were a great friend to me and I'll never let that go. The laughter, the cries, the prayers, and the way you took a liking to my family will be with me. We were just talking Monday and yet you departed this life the following day. I've been crying on and off trying to deal with the pain of losing a dear friend, but nothing physically helps. I can only thank God for the time He has allowed me to be a blessed part of your life for the time we were friends. Whenever you may be please try to rest. I'll be keeping an eye on Mrs. Leesha for you. Having her as a friend now is more than enough. WE LOVE YOU MR. MIKE!!*
