“ *You have my deepest sympathy regarding your loss of your loved one. He was my cousin, although I have not seen him for a very long time. It saddened me when I visited the Williams website to see his obituary. You are all in my prayers.*

This is Toupee. I will never forget the times we spent together, in our younger days. The times I spent weekends with your family during Clark's fairs are priceless. “ Please know that you have my deepest sympathy. He will be truly missed. He was such a very nice and giving person. To go away in that manner had to be an awful experience for you Liz, but I am sure that you know that God doesn't put anymore on us than we can bear. If there is anything that I can do for you, please don't hesitate to ask (including and not limited to Hats-smile) Please continue to keep in touch.
