“ *Sarah,*

To think that your mother lived to be one-hundred, and that she passes away so peacefully! My childhood associations with her were so close and delightful.

I remember how she always welcomed me into her home with a soft hello. Very vividly I recall her always praying with my mom, Montrieo and I.

Within the last four years, she met Asher! He enjoyed visiting her and Emma. I am very glad that I had the pleasure and privilege of knowing her well.

It must be a comfort to you to know that you have cared for her faithfully through these latter years-no daughter was more devoted. I know, too, that your faith and courage will bring you peace even in the midst of this great sorrow.

*With all my sympathy,
Montonya*
