“ I'll forever miss my dear friend and confidant. Our countless jokes and secrets I shall always treasure. Ms. Mildred was like a mother to me and I shall miss her dearly. My condolences are with the family during this time. We are merely "Babysitters" of God angels until He calls them back home. I'm glad that God saw fit to leave Ms. Mildred with us for such an extended time!

Much love,

“ Oh it is so hurting that you have left but it is not up to me. If it was you would still be here loving us and we have always loved you. You are residing in your new home watching over us. I love you and always will for the things you have done for me. Continue to rest in the arms of the Lord until we see each other again.

“ We were so saddened to learn of Mildred's sudden passing. Our whole family truly loved her, and will miss her cheerful voice and smiling face; and I will miss our phone calls. Her family was so important to her, and she would always talk about those little ones with such love in her voice. I am sorry that Rex and I will not be able to attend the funeral, but please know that we will be praying for all of you--and God's new angel, Mildred.
