“ *Mildred was one my best Pharmacy Technician at Doctors' Hospital of Opelousas. She was knowledgeable, kind, helpful and always did her tasks with others in mind. I will always remember her beautiful smile easpecially on Monday mornings. That smile made the day and the week more enjoyable to work in. I picked up several pointers as I worked with her that I incorporated in my Region (East Texas to North Carolina) when I worked for Lifemark Pharmacy and Hospital Managements. I share your sorrow and offer my words of comfort at this time. May the Lord our Savior grant you peace and comfort.*

“ *Indeed, I am saddened to learn that you're mourning the loss of your dear love one. However, it saddens our God even more. No doubt, you have many fond memories which will resurface from time to time. And because you do have memories, certainly shows that almighty God has memories as well. Therefore, with full confidence you can take comfort in knowing that he longs to restore perfect life to all those in his memory (Job 14:13-15; Rev 21:3, 4). Please accept my condolences at this most distressing time.*
