“ I am heartbroken to learn about the passing of my dear friend. Monica was such a sweet, kind, and loving soul. We first met while working together at the Lafayette Business and Career Solutions Center, and over time, our bond grew so strong. She was my bestie.

Even when she moved to another department, I would visit her often, and we would talk for hours. Her joyous spirit, her unwavering kindness, and her genuine love for helping others will always stay with me. Monica was truly a God-fearing woman who loved her family deeply and brought so much light to everyone around her.

To her husband, Mr. Raymond, and her children and grandchildren, I am lifting you up in prayer during this difficult time. May you feel God's comforting presence and find strength in His unfailing love. Take heart in knowing that Monica is now your angel, watching over you with that same beautiful, joyous spirit she shared with all of us here.

Rest in peace, sweet Monica. You will be deeply missed and forever loved. ❤️ 🙏

“ *My heartfelt condolences and sincere sympathy to the Rideau and Semien families. I m so sorry Renee couldn't come for our 50th class reunion. I often think of all the fun we had growing up. There were only a few places I could go spend the night and her house was one of them. I will always treasure the friendship we shared. Get your rest my friend until we meet again. Fly high my angel friend.*
