“ I send all love and condolences to my cousins/his children. I am and will surely miss the champion. The advice he gave for growing up to me as a teen, preteen and sometimes as an adult was golden. I will miss the political, sports, family historical stories/perspectives, and other assorted discussions we shared for at least the last fifty (50) years. I bow with respect to the last of my father's brother/family members.

Glad to have had the pleasure of meeting him. Loved life, family, and fellowship. A genuine Louisianan who met no strangers and enjoyed a good laugh always.

I'm missing my Brother-in- Christ already ! As my daughter Angela Edwards Cyprien received the news of his passing, we're still in disbelief and denial. He sat next to us for many, many years at Northside Church Of Christ making us laugh before service started and then becoming serious . And now to read his obituary, I have to accept that my dear friend is gone ! May Comfort is all .
