“ *Auntie Myrtle "A Phenomenal Woman" "My rainbow in my clouds" Some people come into our lives and leave footprints on our hearts... Then we realize... We are never going to be the same... You zapped a piece of me when you departed. Now I really feel how special I was to you. -Your strong presence of wit and wisdom - Always true to yourself -and your choice words of Remembrance 1.God sit high and He always look low. 2.God's powerful unchanging hands 3.Give it to God. He can fix it! I take great comfort in the special favor God bestowed upon my Auntie's departure. She was that special to him. He didn't tarry. What a joyous revelation! She deserved the Honor of God's presence, "that quick"! I will profoundly miss her. But, am grateful she unselfishly stopped and lifted a little piece of me to fit into her now "Perfect World" Rest Now! Phenomenal Woman! Love You More! Your niece, Mize*
