“ My deepest condolences to the family and friends of Nash. I met Nash in high school and we would always joke around about football and food. He always was in a great mood and projected his kind nature onto others.

My love and sympathy to all of the family. I did not know Nash personally but was very close to his mom Vickie. She was a wonderful help and friend to Julie after her accident and we credit her a lot with the success that Julie has been able to have. My prayers will be with you.
