“ It was with profound sadness that I learned of the passing of Mrs. Nettie Rose Akins-Richards-Bruno. As an exceptional educator at Phyllis Wheatley High School in Melville, Louisiana, she left an indelible mark on many lives, including my graduating class of 1962. Her dedication and inspiring legacy will be remembered by all who had the privilege of knowing her. My deepest sympathies extend to her children, grandchildren, family, and friends during this time of loss.

Sincerely,
Lindia LaSalle-Jones-Howell

“ *Mrs. Bruno was the librarian in Washington and she cultivated my love for reading. She would let me take home as many books as I wanted on weekends. She even formed a library club because we would go to the library and help her on our lunch breaks & at recess. I think I still have my library club president trophy that she gave me. She touched many lives in such a beautiful way.*
