“ *My brother (James Weaver) and myself (David Weaver) attended James Stephens Elementary from 1976-1980. Mr. Davis was the best principal we ever known, I remember he took us home from school one afternoon because we missed the bus and we didn't have a vehicle nor a phone and was crying afraid to walk home cause when you a kid everything is so big and so far away, but he calmed us down and said "y'all go wait by my car and I'll take y'all home", "you know your address" he asked, and we replied "yes, 412 west cypress". He showed us how it wasn't that far from the school and how we could easily walk home if we missed the bus again. He was a great man*
