“ *My sympathies are with your family. In the bible we can find hope and comfort. Jesus said in John 5:28 "the hour is coming in which all those in the graves will hear my voice and come out."*

“ *Uncle Oliver you will be missed everyday. I will always remember the times you would make Aunt Bea make me a cake when I would stay with you guys. As a child until I became an adult, as soon as we would come to town I would say hello to mama and papa and then run down the street to see my Aunt Bea and Uncle Oliver. I will miss that but I am ok knowing you are in the clouds watching over us all. Love You
