“ I've known (or had known) Patrick since approximately 1992 when John Richard first brought him to my office. Shortly thereafter, Patrick brought his mother, Miss Frances to me and I represented her for a car wreck in which she was involved. She wore a different hat each time she came to my office, all of them with shiny little stones of one kind or another on them and she liked the fact that I always noticed and complimented her on her hats. Overall, she was a wonderfully sweet little lady who Patrick obviously loved very much and was so injured by her passing. I told him then what I offer to those of you who loved Patrick and feel a loss now, specifically, we weep for our own loss as he nor his mother, Miss Frances will ever suffer again, wrapped in the arms of our Lord Jesus Christ. How fitting, Patrick will spend Mother's Day with Miss Frances this year! I was blessed to have Patrick in my life and never knew him not to have a smile on his face. His presence, calls, drop in visits and generally joyous attitude about life will be greatly missed although we shall ALL cross that river one day and see each other again....if we all live according to the Lord's commandments and remember that the only way to the Father is through the son. May God bless Patrick's soul and all of those who held him dear.
