“ *Velda, Freudian, Dale and Allen,  
My family offers kind words to hopefully offer some comfort during your hour of sadness. We held your mother close to our hearts. That relationship began many years ago when she was a student in our mother's high school homeroom class. And that was a relationship that continued through the many years even after our mom passed. She was quite a lady. May she Rest In Peace and hope you find comfort in celebrating all the wonderful memories you created as a family.

“ Cousin Pearl, always had that beautiful smile that lid up a room. She and my Aunt Legia were really close, and because of that I got to see her a lot. She could really work a sewing machine. Last time I saw her, she still that warm, genuine smile.

*There are no words, none, that would even help right now; however standing on the word of God, which tells us he will be with us always, yes even now. May the peace of God, give you strength not just now, but in the days ahead. Praying for you all!*
