“ My deapest heartfelt condolences to to family, my prayers are truly with you. I just would like to share the memory that I witnessed with Peggy this past July. She was at my apartment picking up our granddaughter Kalynn Curette. This particular day she was going to take her grandkids to lunch @ Peking’s her favoret spot for her snow crabs. She also included Kasey, Kalynn’s older sister. She was a loving grandmother, always talking about her grand babies. Momentarily we’ve had our differences in the past and always gave it to God and bonded for our babies. She sat on the rocker for about an hour that day and we had the most memorable conversation I’ll never forget. She was so at peace with how God has blessed her, and the love, and joy of her life was visible that day. This was the last time I saw her, and I’ll never forget it. Timothy and Brad my prayers are with you and know that Peggy has ether wings on now and she will always be their watching over y’all and those two beautiful grandkids. Sleep on Peggy, you will be missed but God’s got plans for you now. Stay strong Tim.
