“ After reading about your recent loss of Mrs. Leftridge. I would like to send my condolences to the Leftridge family. I am also moved to write you a message of comfort and hope. God has made the loving provision for a resurrection, so that you can see Mrs. Leftridge again. You can read about this hope that Jesus talked about at John Chapter 5:28-29 in your Holy Bible.

We are deeply saddened to hear the news of your loss. You have our Deepest Sympathy and we are sure that God knows what's best.

Cannot imagine that beautiful smile no longer in existence. Our lives separated us after High School but we will always remember Peggy for her cheerfulness, kindness and deep love for her friends and family.

Be strong and try to keep in your minds and heart her lovely ways and "That Beautiful Smile".

“ To the Bias and Leftridge Families,

I am so sorry to hear of your loss. Peggy and the Bias boys/men were well known in our Frilot Cove Community, as well as to our family.

I was in school with the family and surely have good memories of that beautiful smile that Peggy wore on a daily basis. She was one of the most beautiful young people that I have come across in my childhood days. She wore a smile that just was so impressionable to everyone. Unfortunately our lives led us to different areas of the state, and we lost contact with her. I always had praise for "Peggy and the Bias Family", they were well-raised, caring and loveable people. I know she will be missed, but God would want you to remember the "good times that you all had with her".

May God be with all of you and know that prayers are going out for all of you from the "Frilot Family" (Fannie; Henry and Margie).

Peggy, may you rest in peace.

*Sincerely,
Fannie Frilot Barrington and Family*
