“ *Dear Pervis...*

*While growing up in Opelousas, there were boys and girls that were considered part of the North End Family. We were brothers and sisters no matter who our parents were. You were very much a part of that family. We had good times at the park and next door in the neighborhood. All of that family will miss you. We send condolences to your loved ones. We will especially miss you. May God continue to look out for you on your new journey or, transition to the after-life. Eldridge Cunningham & cuz, Hattie B.*
