“ *I will miss you until eternity. I will hold you in my heart as long as it beats. It's not goodbye only I will see you later. Every time I look up in the heavens when the warm sun shine uponmy face I will know you are smiling down on us. I will not question what God has done because he make no mistakes.. so I will endure this heartache for now. I love you Phyllis and you are always in my heart.*
Love Doris
