*I can only imagine the heartbreak you feel for losing your sweet, beloved daughter, sister and grandchild. Just a reminder that our loving Creator understands your pain and promises to heal your broken heart by bringing your beautiful daughter back to life. Jesus proved this possible by the resurrections he performed when he was on earth. Imagine the joy of holding her in your arms again?

“ Princess was one of the sweetest girls I have had the pleasure of teaching and getting to know during her time in middle school. Her smile would light up a room which confirms that we really walk among angels. To the Washington family and my Precious and BJ know that Princess has always and will always be y'all hand to hold. Just whisper her name in y'all hearts and she will be there! Love you all <3
