“ *The memories of Mrs. Queen E Thomas as a 4th student, after I graduated from high school, and I entered into the field of education.*

We as students who had Mrs. Thomas appreciate the drive for success she visioned in our young lives to prepare us for our present careers we have.

Within the community I grew up in, I remember Mrs. Thomas as a person who continued to work in the community assure we focus on God and his grace that continues to guide and protects us.

I appreciate the teaching and teacher Ms Queen has provided within my lifetime and our lifetime.

“ *Darryl you and your entire immediate and extended family are in my thoughts and prayers. I'm especially praying that all of you will find comfort in the memories of the life and legacy of your mother. It's never easy to lose a loved one but it's especially hard when it's a mother. I'm also praying that all the funeral arrangements will go as planned.*
