“ *To the Pitre family: I was shocked to learn of the passing of my high school classmate and dear friend nearly 6 months late. My thoughts and prayers go out to each of you. Had I known at the time, I would most definitely been there. The 1962 class of James Stephens High School was a close knit family. Raleigh and I were also classmates at the little 3 room school where my mother, Mrs. Florence Jones was both our principal and 1st grade teacher. Mrs. Maxine Hickerson and Mrs. Theresa McCarter Dossman were our 2nd and 3rd grade teachers. A truer friend we could not have asked for. Again, I am sorry to have just found out about his death. Rest in Peace dear friend.*
