“ *The days without you are lonely,
The nights without you are cold,
But even though you are gone now
That burning passion will never grow old.
Sometimes I cry myself to sleep at night ,
Just knowing that you are gone, but it makes
Me feel better knowing that you are peacefully at Home.
Your body lays at rest now,
It's Harder than I thought,
Just knowing you are
Gone for good, and thinking it's all my fault.
Time will have to take its course now,
For There's nothing left to do.
Just always remember that I still care and that I will always love you
My eyes fill up in tears,*

*I love you with all my heart.
I wish we wouldn't have to be apart.
I keep thinking that this can't be real.
I wish you only knew how I feel.*

*Tears roll down my face
To see you in such a happy place.
I hope we will meet again someday
So the pain inside me will wash away.*
