“ *Well my babygirl: U have gone on to be with GOD. For the longest time in my life, i wanted so badly to be an Aunt. It took a long time but u finally came on January 24, 1988 and u made me your Aunt Karlus when i was 22 years old. I was so proud and so happy to see u. It was as if u were only for me. My eyes weren't big enough to see U. I loved you before u were born and i loved u even more after u were born and i love u still. I am so very sorry for all u went thru in your young life but u dont have to worry about any more sickness, sadness or disappointments in your life anymore becaue its all over now and you are finally at peace. May u rest in peace in the loving arms of God until we meet again. I love u "My Sweet Babygirl" U was a true pure joy in my life and i thank GOD for you being apart of my life.*
