“ My thoughts and prayers are with my family! Ray was more like a brother to my husband Reginald Guillory. They enjoyed playing pool together and just hanging out black pot cooking. You will be missed by many “Ray Allen” RIP my brother!

“ Alicia, you have suffered a great loss and I don't know any words that will ease that pain. But I do know you should continue to trust God and hold on to your faith and know that Heaven is real and Ray is there with Jesus waiting. We never know when or why, but we should never lose hope and confidence in God. We are praying for you, Ray Jr and LaQuysha always. God will send his spirit to be strong for you all when you can't.

“ Remembering Ray brings back a smile 😊 When I worked for their family at the paint , body and upholstery shop he was about 7 or 8 years old always running barefoot through the shop. He was very respectful, kind and didn't give any problems and I can the same for him as an adult. He will be missed dearly. My sincere sympathy family ❤️
