“ I’m tearing up as I type these words. I met you when I was a little boy and again as a young man.....and as I look at this picture, I see where I get a lot of my good looks from. I had made plans to come and see you, so we can catch up, re-introduce myself, introduce you to your Grand Daughter In Law, introduce you to your Granddaughter. I feel really bad, I always felt as if I had time but, we are on GOD’S time, not our owns. So I pray you will forgive me. In the mean time, I just want you to know, I will make sure your name and legacy lives on. My last name may be different, but my blood is Sostand!!! Rest In Paradise Grandfather
