“ My dear friend,
You remind me of a beautiful butterfly! The symbol of inner beauty hidden until it is made known. You were such a real person...real talk!!! A beautiful soul of "Divine Grace". There was never a time I was in your presence or thought of your presence that didn't put a smile on my face! People, as well as myself, were truly blessed by The Lord to have been a part of your journey here on earth!
To those amazing sons of yours, "Big Monsey", CJ, and Bamboo, I send my deepest heartfelt, and most sincere condolences and prayers to you all and your family, the Noel family, and friends during the Bereavement of your beautiful mother, grandmother, sister, sister-in-law, aunt, cousin, and friend. It's never a wonder why all of these very awesome, talented young men, possess such a humbled and caring heart....seeds of greatness from their momma and daddy, "
I salute you all for loving your Mother as a "Queen".
May you all take comfort in knowing, "Momma will forever be watching over you"
Much, much love always,
Pudgy
