“ I met Ms Regina at Ms. Fanny Mae house at a card game about 15 years ago and we instantly clicked. She was so energetic and always kept that beautiful smile on her face. Ms. Regina became my neighbor in 2012 and moved directly across from me. Over the years she became more than a friend because I look up to her like an aunt and I respected her like an aunt. Ms. Regina was so gracious and caring for me my mom my sister and my nephew and niece. Ms. Regina was wise and she always gave me good advice. Ms. Regina helped me and she never said no. She was always willing to help no matter the time of day or night. One night my nephew took sick and my sister was at work in Lafayette and I called Ms. Regina and she rushed across the street and we got Zayne in her car and zoomed to the general. Me and my mom Ms. Ros and Livy and Zayne we really really really miss Ms. Regina. I wish she would just come back. There will never be another Ms. Regina on this earth and it's too bad because she was an amazing mother and an amazing friend and just an amazing person. I know she's in heaven laughing and rejoicing and watching over all of us that she touched. Love you and Regina. From Demi.
