“ Seems like it was yesterday when I saw your face , we loved , we laughed , we cried but still love each other till this day. I can't believe that your gone but your soul and memories still remain on earth like a song . The tears that run down my face are filled with sadness and love because we know your in a better place watching us from above . I know that life goes by fast but I wish you could of been here so we can laugh and share our stories on our past. Robbie D. W. You will be surely missed , with kisses and hugs from your Family , Friends , and little cousin Rajanee . Gone but not forgotten

“ That's crazy to hear your gone. Your my oldest nephew and we had many memories. I remember when you did my eyebrows for graduation and cut my hair for me. I remember when you took me to church with you. I thank you for all the lectures you gave me when I was younger. I'm grateful to have you as a nephew. Your gone now but will never be forgotten! Save us a spot up there but don't place it too soon. And make sure you open up a barbershop next to Mary's nightclub and uncle James hardware store ! Rest In Paradise !

“ Robbie you will indeed be MISSED, but your memory will forever remain in spirit,I remember your smile & the times we hung out at my grandparents home known as Momdeet & Pop located on the corner of Hiram St.,couldnt wait for the wkends ,just to hangout with the "fam" such as : Leanna ,Snapper(Pat),Barbara,& Pearl,to later discover that you were actually related to us by our grandparents ,again you will be missed ,words can't explain my pain for you guys ,cause I too have lost my little brother,but the one thing I can tell you is : To keep pressing.....know that God is a healer ,protector , redeemer,a friend ,and a father when you are fatherless....To be absent from the body is to be present with the Lord,& know that Robbie has done a job "WELL DONE ". Love you guys so much and you guys are in my prayers !
