“ *Hello guys not sure if I'll make it to the services but just know I loved Daddy Bob and mama "G" as though they were my own parents. Both are in heaven now watching over you all..... and me (lol). You guys were my little brother and sister and will remain that always in my heart. You are always in my prayers as well as those beautiful families that you have had - they are all so beautiful. All I ask is that you remember me always and that I truly love you all as my own true family - contact numbers will be sent to your inboxes on FB and please use them when you get a chance.*
