“ *Dbe Love Ones of Ronnie Rene,  
I am a stranger to you and never met Ronnie. I was looking for information on the Williams Home Web site when I saw his picture. I am so sorry for your loss. I know it even harder because "we are supposed to die before" our children do. My heart goes out to you in this time of heartache and sorrow.*

*My great nephew...my biggest regret is living out of state when you were born, and not spending more time with you. I do, however, remember being home a couple of months ago and calling you over to me and introducing myself to you. I know that you did not remember me, but I made myself known that I was your grandmother, Mary, baby sister. I, also, made it known that you are so handsome, and a Kobe Bryant look-alike! You stood there while I embarrassed you with flattery. I was so happy to see you. My heart breaks to say good-bye because, sad to say, I was just getting to know you. But that's ok because I knew of you...your parents, your grandparents, and great grands (my parents). With that you were mine, too...my family. I loved you still.*

“ *Ronnie was one of the most lovable kids I know he and my son were good friends. Every time I see him he would always be smiling. All of my kids got very attached to him. He was more like a brother to them. He will truly be missed by a lot of people. I will never forget the first day he stayed at our house I looked over at him while he was eating he just stopped chewing and covered his face smiling looking at me. Fly High baby boy.*
