“ *To The Green Family,
It seems so few years ago we were all growing up together. Billy, you and Roosevelt were part of the ole basketball backyard running pack back in the 80s. Those days were great for all of us and I am grateful for the friendships we all share. I am so deeply saddened by Roosevelt's death. I cannot put into words how sad it was to hear the news from my parents. I have missed seeing all of you over the years, as careers/jobs and our travels in life have taken us away from Palmetto, but the memories of growing up together are everlasting. You all will be in my thoughts and prayers.
